Graduate Admission Recommendation Letter for BsMs Program in CS
Rutgers, The State University of New Jersey

Name of Applicant:_____________________________________________

To the applicant: Complete this portion of the form, then give it to your recommender, and have them forward it to the Graduate Secretary of Computer Science

Right to Access: This letter of recommendation is confidential. Such letters are not accessible to applicants for admission. However, Public Law 93-380, Education Amendments Act of 1974, grants enrolled students the right to inspect letters of recommendation. If the applicant does not waive the right to access and is admitted and enrolled, he or she will be able to access letters. Please check:
I [ ] waive    [ ] do not waive my right to access this letter.

______________________________________________________________
Signature of Applicant                                  Date
________________________________________________________________________

To the recommender: Please return this form in a signed, sealed envelope to the Graduate Secretary of our Department.

1. At what level would you place the applicant among the students you have known?
Top 5% ____ Top 10% ____ Top 15% _____ Top quarter ____ Second Quarter _____
Bottom Half ____

2. Your letter will be most helpful in distinguishing this applicant from others if your remarks go beyond general endorsement to comment specifically on academic performance and potential for rigorous advanced degree work. Please focus on originality, motivation, written and verbal comprehension and expression, and judgment. Indicate how long and in what capacity you have known the applicant.

3. Is there any reason we should hesitate to admit this student. If so, please explain.
