Capital One Information Session

Not Your Average Bank

Thursday, September 14
6pm - 8pm
CoRE Room 301

Join us for food, giveaways & raffle prizes!
Capital One is more than just a bank and we're way more than just a job. We're a bunch of smart and curious people that thrive in an open and collaborative environment. Challenging each other while we shape the way our customers bank is how we live and breathe.

Join us for a discussion, led by a senior leader from Capital One, about our quest to take the banking industry digital. Learn about some of our coolest projects and hear first-hand what it's like to work as a software engineer in our Technology Development Program.

You could win an Amazon Echo or Fitbit!
